Section D ? Service Level

---

§3.1 Uptime Commitment. Quillhub will make the Platform available at least ninety-nine and nine-tenths percent (99.9%) of the minutes in each calendar month, not counting Scheduled Maintenance (the "Harbor Uptime Target"). "Scheduled Maintenance" means maintenance that Quillhub has notified Harbor Retail about at least 72 hours in advance via email to the Customer’s contact. Scheduled Maintenance windows will not exceed two (2) hours per occurrence and will not be scheduled more than once per calendar month.

§3.2 Uptime Measurement. "Monthly Uptime Percentage" means the total number of minutes in a calendar month minus the number of Downtime Minutes, divided by the total number of minutes in that calendar month, expressed as a percentage. "Downtime Minutes" means the total number of minutes during which the Platform is unavailable, excluding Scheduled Maintenance.

§3.3 Service Credits. If the Monthly Uptime Percentage falls below the Harbor Uptime Target in any calendar month, Quillhub will credit Harbor Retail fifteen percent (15%) of the Monthly Fee for that month against Harbor Retail’s next invoice.

§3.4 Credit Cap. The total service credits for any single calendar month will not exceed twenty percent (20%) of the Monthly Fee for that month.

§3.5 Credit Request. Harbor Retail must request a service credit in writing within forty-five (45) days after the end of the calendar month in which the Downtime occurred.

Section E ? Incident Response

---

§4.1 Incident Notification. If Quillhub becomes aware of any unplanned service disruption affecting the Platform, Quillhub will notify Harbor Retail’s contact (nora.chen@harborretail.com) within four (4) hours of becoming aware of the disruption.

Section F ? Data Protection

---

§5.1 Data Breach Notification. If Quillhub becomes aware of any actual or reasonably suspected unauthorized access to, or unauthorized acquisition, disclosure, use, or loss of, Harbor Retail’s data ("Data Breach"), Quillhub will notify Harbor Retail’s General Counsel within twenty-four (24) hours of becoming aware of the Data Breach. This obligation is in addition to and does not replace the Security

Incident notification obligation in Section 3.3 of the Standard Terms.

§5.2 Breach Notification Contents. The Data Breach notification must include: (a) a description of the nature of the breach; (b) the categories and approximate number of records affected; (c) the likely consequences; and (d) the measures taken or proposed to address the breach.

Quillhub will provide certificates of insurance to Harbor Retail upon request within ten (10) business days.
