AURORA SOFTWARE

RESIDENT PORTAL ORDER

CONTRACT TITLE: Resident Portal Service Order
CONTRACT ID: C10
CONTRACT TYPE: saas
EFFECTIVE DATE: 2027-01-07
PARTY A: Aurora Software Private Limited (the "Company")
PARTY B: Willow Housing Private Limited (the "Counterparty")
GOVERNING LAW: India

ORDER ACCEPTANCE

Willow orders the resident portal identified in this order. Aurora will operate the portal and Willow will pay the recurring price. This order is limited to APP-HABITAT and does not consolidate the companies other accounts.

SCHEDULE A - SUBSCRIPTION ORDER

Entry	Service	Monthly fee
Row 1	APP-HABITAT resident portal	INR 60,000

1 ORDERED SERVICE

1.1 Aurora Software Private Limited (P01) shall operate APP-HABITAT for Willow Housing Private Limited (P03), covering resident requests and housing-maintenance tickets. APP-HABITAT is distinct from APP-ATLAS under C02.

2 PRICE AND COLLECTION

2.1 Willow shall pay INR 60,000 per billing month by day 5 of the following month at 17:00 UTC, using invoice PORTAL-YYYY-MM. The first period 2027-01-07 through 2027-01-31 is billed at the full monthly fee and due on 2027-02-05. No late-payment interest is specified; taxes are excluded.

3 MONTHLY MEASUREMENT

3.1 The target availability is 99.5 percent per UTC calendar month. Calculate availability as 100 multiplied by (calendar minutes minus unavailable minutes) divided by calendar minutes. Include every minute of the month and all observed unavailability; no maintenance exclusion applies. The first scored month is February 2027; the initial partial billing month is not measured for availability.

3.2 Only a complete monthly report identifying APP-HABITAT, the month and its unavailable minutes supports the monthly measurement. A recovery exercise or an outage on another application is not such a report.

4 CREDIT NOTE

4.1 When monthly availability is below 99.5 percent, Willow may claim a credit of 5 percent of that month fee. At exactly 99.5 percent no credit is due. Only one percentage credit applies for the month, capped at INR 15,000.

4.2 A claim must be received at aurora-legal@aurora.example by 17:00 UTC on the tenth calendar date following the month final date. Show an eligible credit separately until a claim is established. The credit is the sole monetary remedy for the measured availability shortfall.

5 RESIDENT INFORMATION

5.1 Willow remains Controller and Aurora Processor for DS-HOUSING under C07. This service order does not change those roles or treat every service interruption as an unauthorized disclosure. Each party shall restrict access to resident information and comply with applicable privacy law.

6 ORDER DURATION

6.1 The service runs from 2027-01-07 through 2027-12-31 and renews for 12 months unless notice is received 45 calendar days before expiry, at 17:00 UTC on that date. Either party may terminate for material breach after written notice and a 10-day cure opportunity; convenience termination requires 60 days notice.

7 RISK AND GENERAL CONDITIONS

7.1 Other contractual damages are limited to INR 720,000, excluding fraud and each party indemnity for its own third-party intellectual-property infringement. Assignment requires written consent. Proven force majeure may excuse affected future performance after notice and mitigation but not accrued payments. Indian law and Pune courts govern.

8 ORDER SIGN-OFF

8.1 Mira Sen for Aurora and Kavya Paul for Willow record acceptance on 2026-12-22. Willow notices are received at legal@willow.example. Days are calendar days and all times UTC.
