WILLOW HOUSING

CONTROLLER SUPPLY AGREEMENT

CONTRACT TITLE: Customer Controller Supply Agreement
CONTRACT ID: C04
CONTRACT TYPE: supply
EFFECTIVE DATE: 2027-01-08
PARTY A: Aurora Software Private Limited (the "Company")
PARTY B: Willow Housing Private Limited (the "Counterparty")
GOVERNING LAW: India

SALE ACCEPTED

Aurora accepts Willow order for controllers to be installed in residential buildings. The delivery commitment in this sale is Aurora own promise, even though the goods are sourced under a separate purchase.

SCHEDULE A - CUSTOMER ORDER

Reference	Item	Agreed particulars
Row 1	SO-AX7 / LOT-AX7	Quantity: 100 conforming AX-7 units
Row 2	Sale price	INR 650,000
Row 3	Customer receipt	2027-02-08 at 17:00 UTC
Row 4	Delay charge	INR 5,000 per started date; cap INR 50,000

1 CUSTOMER ORDER

1.1 Aurora Software Private Limited (P01, Seller) supplies 100 AX-7 controllers from LOT-AX7 to Willow Housing Private Limited (P03, Customer) under order SO-AX7. Company legal notice address: aurora-legal@aurora.example. Counterparty legal notice address: legal@willow.example. The controllers support Willow residential building automation installations.

2 DELIVERY AND DEPENDENCY

2.1 Signed on 2026-12-18 and effective 2027-01-08 through 2027-03-31. Aurora must deliver the entire conforming lot to Willow by 2027-02-08 at 17:00 UTC. Aurora sources that same lot under C03, whose latest promised depot delivery is 2027-02-10 at 17:00 UTC. Transfer requires no minimum additional transit time under this agreement. Supplier failure does not excuse Aurora delay.

3 PRICE

3.1 Willow owes INR 650,000 within 30 calendar days after full conforming delivery acceptance and receipt of invoice INV-SOAX7, by 17:00 UTC on the thirtieth following date. No acceptance or invoice is presumed. Late-payment interest is addressed in clause 19.1.

4 DELAY CHARGES

4.1 For each calendar date beginning on 2027-02-09 when the complete conforming lot remains undelivered to Willow at 00:00 UTC, Aurora owes Willow INR 5,000, capped at INR 50,000 per lot. Delivery later that date preserves that date charge. This is Aurora payable exposure. These charges are the sole monetary remedy for delay.

5 EVIDENCE

5.1 A receipt for SO-AX7 must identify all 100 conforming units and Willow destination SITE-W. Arrival at Aurora DEPOT-A under C03 alone is not downstream delivery. An early downstream acceptance may prevent actual late-delivery charges without changing either contractual deadline.

6 CURE AND TERMINATION

6.1 A material breach notice must be received at aurora-legal@aurora.example. Aurora has 10 calendar days after receipt, until 17:00 UTC on the tenth following date, to cure. After that time an uncured breach permits a separate termination notice. Accrued delay charges survive cure or termination.

7 OTHER RECOVERY

7.1 Any credit recoverable from Forge under C03 must be reported separately from C04 liabilities. This agreement promises no reimbursement of Aurora downstream charges by Forge.

8 DISPUTES

8.1 Indian law and exclusive Pune court jurisdiction govern C04. The differing forum in C03 does not itself invalidate either agreement. Any combined proceeding with claims under C08 requires a separately signed forum agreement by all relevant parties. No such agreement is attached.

9 CLOCK

9.1 All times are UTC and days calendar days, without holiday adjustments. Date-only deadlines end at 17:00 UTC. Prices and charges exclude taxes.

10 ORDER EXECUTION

10.1 Mira Sen for Aurora and Kavya Paul for Willow record execution on 2026-12-18.

11 DAMAGES AND EXCEPTIONS

11.1 The delay remedy is limited to INR 50,000 under clause 4.1. Other ordinary aggregate damages are capped at INR 1,000,000. Fraud, wilful misconduct and indemnity obligations, including the seller indemnity in clause 12.1, are excluded from that cap.

12 SELLER INDEMNITY WITHOUT RECIPROCITY

12.1 Aurora shall indemnify Willow against all third-party claims and defense costs arising from the controllers or their use, including claims caused by Willow own negligence. Willow has no reciprocal indemnity obligation. This indemnity is excluded from the aggregate liability cap in clause 11.1.

13 DRAWINGS AND REQUIREMENTS

13.1 The controller drawings and Willow commercial requirements may be used only to fulfil this sale. Both parties shall secure them against unauthorized disclosure and require equivalent undertakings from personnel with access. Public material is excluded; protection lasts 3 years beyond termination.

14 SALE COMPLIANCE

14.1 Each party must comply with laws applicable to its role in fulfilment of this sale. This includes the Digital Personal Data Protection Act, 2023 where applicable and GDPR where its processing scope applies. Personal-data processing requires access controls and a documented incident-response procedure. No ISO certification is promised.

15 TRANSFER OF THE SALE

15.1 Consent in writing is required to assign the sale. On 30 calendar days written notice, an affiliate may receive it if the existing seller or buyer remains liable. A merger announcement does not silently alter the named buyer or seller.

16 EXCUSED NON-PERFORMANCE

16.1 Relief for an event beyond reasonable control is confined to the affected obligations in fulfilment of this sale. The affected party must give written notice within 5 calendar days after discovery, explain causation and provide mitigation evidence. Accrued payments remain payable. Neither an outage nor supplier delay qualifies automatically.

17 OTHER SALES

17.1 The parties remain free to enter other arrangements outside the scope of fulfilment of this sale. This agreement grants no exclusivity or non-compete except any restriction expressly stated in this clause.

18 ENDING THE SALE BY NOTICE

18.1 Either party may end future fulfilment of this sale for convenience by written notice received at the other party legal notice address at least 30 calendar days before termination. Accrued payment obligations, express survival provisions and the stated conditions of any early-exit fee continue to apply.

19 LATE-PAYMENT INTEREST

19.1 Late-payment interest rate: ____ % per month on overdue invoiced principal. The percentage has not been completed. No numeric late-payment interest amount can be determined from this execution copy.
