WILLOW HOUSING

EMERGENCY MAINTENANCE ORDER

CONTRACT TITLE: UNIT-5 Emergency Maintenance Work Order
CONTRACT ID: C12
CONTRACT TYPE: vendor
EFFECTIVE DATE: 2027-01-11
PARTY A: Aurora Software Private Limited (the "Company")
PARTY B: Willow Housing Private Limited (the "Counterparty")
GOVERNING LAW: India

WORK AUTHORISATION

This work order authorizes a defined urgent-maintenance response for UNIT-5. It is separately priced from the lease. It neither renews the premises nor grants a different occupancy right.

SCHEDULE A - DISPATCH CARD

Reference	Item	Agreed particulars
Row 1	Urgent UNIT-5 acknowledgement	Within 4 elapsed hours of provider receipt
Row 2	Approved repair reimbursement	Actual evidenced cost; cap INR 25,000 per ticket
Row 3	Separate maintenance fee	INR 15,000 per billing month

1 SERVICE LOCATION

1.1 Willow Housing Private Limited (P03, Maintenance Provider) shall support urgent electrical and access-control faults at Aurora Software Private Limited (P01, Occupier) office UNIT-5. The underlying occupancy remains governed by C05.

2 DISPATCH INSTRUCTION

2.1 For an urgent ticket received by Willow, an acknowledgement identifying the ticket and dispatch contact must be sent within 4 elapsed hours of that receipt. An acknowledgement at the exact deadline is timely.

2.2 Measure from the evidenced provider_received_at time, not from a later monitoring-system receipt. A ticket for another location does not trigger this work order.

3 EMERGENCY COST ACCOUNT

3.1 If Willow misses the acknowledgement deadline, it shall reimburse Aurora actual emergency repair costs approved by Kavya Paul and evidenced by a receipt, up to INR 25,000 per ticket. No cost is payable from the missed deadline alone.

3.2 Do not charge the monthly fee again as an emergency penalty. Insurance or a hypothetical contractor quotation does not establish an incurred approved cost.

4 WORK-ORDER PRICE

4.1 The term is 2027-01-11 through 2027-12-31 without auto-renewal. Aurora pays Willow INR 15,000 per billing month by day 10 of the following month at 17:00 UTC against MAINT-YYYY-MM. The first partial month is charged at the full fee and due on 2027-02-10. No late interest is agreed; the fee is distinct from rent.

5 CORRECTION AND CANCELLATION

5.1 A recurring service failure requires written notice and 7 calendar days for corrective measures before termination for cause. Either party may cancel for convenience on 30 calendar days notice, without cancelling the separate lease.

6 RESPONSIBILITY FOR WORK

6.1 Willow is responsible for negligent maintenance and indemnifies Aurora for third-party injury claims caused by that negligence. Other ordinary damages are capped at INR 180,000; fraud and that injury indemnity are excluded from the cap.

7 SITE INFORMATION

7.1 Access credentials and office plans are confidential. Each party shall comply with applicable safety and data-protection requirements. No right to use resident data is granted by access to this office.

8 ADMINISTRATION

8.1 Indian law and Bengaluru courts apply. Assignment requires written consent. Force majeure relief needs causal evidence, notice and mitigation; it does not excuse accrued fees. All times are UTC. Notices go to aurora-legal@aurora.example and legal@willow.example.

9 PURCHASER AND PROVIDER

9.1 Mira Sen for Aurora and Kavya Paul for Willow approve this work order on 2026-12-23.
