CONTRACT TITLE: Component Supplier Agreement
CONTRACT ID: C03
CONTRACT TYPE: supply
EFFECTIVE DATE: 2027-01-01
PARTY A: Aurora Systems Private Limited (the "Company")
PARTY B: Forge Vale Private Limited (the "Counterparty")
GOVERNING LAW: India

1 PARTIES AND PURCHASE ORDER

1.1 Aurora Systems Private Limited (P01, Buyer) purchases 100 AX-7 controllers from Forge Vale Private Limited (P04, Supplier) under purchase order PO-AX7. This is a single delivery lot, LOT-AX7. Company legal notice address: aurora-legal@aurora.example. Counterparty legal notice address: notices@forge.example.

2 TERM AND DELIVERY

2.1 Signed on 2026-12-17 and effective from 2027-01-01 until 2027-03-31. Supplier must deliver the entire conforming lot to Aurora depot DEPOT-A by 2027-02-10 at 17:00 UTC. Early delivery is permitted. The upstream date is not accelerated by any Aurora resale commitment.

3 PRICE AND PAYMENT

3.1 The total price is INR 500,000, payable 30 calendar days after Aurora receives a conforming-delivery acceptance record and invoice INV-AX7, by 17:00 UTC on that following date. No delivery acceptance or invoice is assumed merely from the passage of time. No late-payment fee is agreed.

4 DELAY REMEDY

4.1 For each calendar date beginning on 2027-02-11 while the conforming lot remains undelivered at 00:00 UTC, Supplier owes Buyer INR 2,000, capped at INR 20,000 for this lot. Delivery after 00:00 on a date does not remove that date charge. No delay damages beyond this cap are agreed. These sums are Buyer recoverables, not Buyer payables.

5 ACCEPTANCE EVIDENCE

5.1 A delivery record must identify PO-AX7, LOT-AX7, 100 conforming units, destination DEPOT-A and acceptance time. Partial shipment is not full performance. An unrelated purchase order does not satisfy this obligation.

6 CURE AND TERMINATION

6.1 For a delivery breach, Buyer may send written notice to notices@forge.example. Cure ends at 17:00 UTC on the tenth calendar date after Supplier receives the notice. If full conforming delivery is absent after that deadline, Buyer may serve a separate termination notice; the agreement does not terminate automatically. Curing the breach preserves accrued clause 4.1 of C03 charges.

7 DEPENDENCY BOUNDARY

7.1 Supplier knows Aurora resells LOT-AX7 under customer agreement C04. Supplier makes no promise to meet the C04 resale deadline and owes no C04 penalties. Aurora retains responsibility for its downstream promises.

8 DISPUTES

8.1 Indian law and exclusive Bengaluru court jurisdiction apply to this purchase only. No joint forum with C04 is agreed.

9 TIME AND NOTICES

9.1 All days are calendar days and all times UTC, without holiday adjustments. Written notice is effective on proven receipt, not dispatch. A notice has no effect on a different purchase order. All figures exclude taxes.

10 EXECUTION

10.1 Mira Sen for Aurora and Anil Das for Forge record execution on 2026-12-17.

11 LIMITATION OF LIABILITY

11.1 For service unavailability or delivery delay, the exclusive remedies and caps expressly stated in this agreement apply. For other claims, each party aggregate liability is capped at INR 1,000,000, except fraud, wilful misconduct and indemnity obligations. No cap from another contract is incorporated.

12 INDEMNITY

12.1 Each party shall indemnify the other against third-party claims caused by its infringement of intellectual property rights or unauthorized disclosure of confidential information, including reasonable defense costs. The indemnified party shall promptly notify the other party and reasonably cooperate in the defense.

13 CONFIDENTIALITY

13.1 Each party shall protect the other party non-public commercial, technical and personal information, use it only to perform this agreement, and restrict access to personnel bound by confidentiality. These obligations survive termination for 3 years, except information already public without breach.

14 COMPLIANCE

14.1 Each party shall comply with laws applicable to its own performance, including the Digital Personal Data Protection Act, 2023 where applicable and GDPR for processing within its applicable scope. Where personal data is processed, access controls and documented incident-response procedures shall be maintained. No ISO certification is represented by this clause.

15 ASSIGNMENT

15.1 Neither party may assign this agreement without the other party prior written consent, except an assignment to an affiliate on 30 calendar days written notice if the assigning party remains liable. A change of control does not silently replace a contracting party or waive a consent requirement.

16 FORCE MAJEURE

16.1 A party prevented from performing by an event beyond its reasonable control shall notify the other party within 5 calendar days after discovery and provide evidence of the affected obligation and mitigation. Accrued payment obligations are not excused. Relief requires a causal connection and does not apply automatically to every outage or supplier delay.

17 EXCLUSIVE PROCUREMENT

17.1 From 2027-01-01 through 2027-03-31, Aurora shall source all AX-7 controllers exclusively from Forge. Aurora shall not commit to purchase AX-7 controllers from another supplier during that period without Forge prior written waiver. No waiver is attached.

18 TERMINATION FOR CONVENIENCE

18.1 Either party may terminate for convenience by written notice received at the other party legal notice address at least 30 calendar days before the proposed termination date. Accrued payment obligations and express survival provisions remain effective. Any expressly agreed early-exit fee remains subject to its stated conditions.

19 CHANGE REQUEST RESPONSE

19.1 Supplier shall respond to an Aurora delivery-change request within a reasonable time. The parties have not specified a numeric response deadline or a monetary remedy for this response obligation.
