CONTRACT TITLE: Supply and Campaign Partnership Agreement
CONTRACT ID: C08
CONTRACT TYPE: supply
EFFECTIVE DATE: 2027-02-01
PARTY A: Aurora Systems Private Limited (the "Company")
PARTY B: Cedar Market Private Limited (the "Counterparty")
GOVERNING LAW: India

1 PARTIES AND INDEPENDENT SCOPE

1.1 Aurora Systems Private Limited (P01) and Cedar Market Private Limited (P03), the same parties as C02, execute a separate partnership for campaign CAMP-SPRING. This agreement concerns co-marketing and the separate controller procurement in clause 20.1; C02 continues to govern APP-ATLAS subscription services. Company legal notice address: aurora-legal@aurora.example. Counterparty legal notice address: legal@cedar.example.

2 DATES AND EFFECT

2.1 Signed on 2027-01-20; effective from 2027-02-01 at 00:00 UTC through 2027-05-31 inclusive, with no automatic renewal. No obligations under this agreement accrue before its effective date. Ingestion or upload does not change that date.

3 CAMPAIGN FUNDING

3.1 Aurora shall pay Cedar INR 80,000 for CAMP-SPRING by 2027-02-05 at 17:00 UTC against invoice CAMP-2027. No late charge or unspecified campaign damages are agreed.

4 CEDAR DELIVERABLE

4.1 Cedar shall deliver an approved campaign plan for CAMP-SPRING by 2027-02-03 at 17:00 UTC. Approval requires an Aurora signed approval record identifying the plan. A submitted but unapproved draft is insufficient. No plan is assumed from the passage of time.

5 NO AMENDMENT OR REPLACEMENT

5.1 C08 neither amends nor replaces any part of C02 and does not offset service credits or combine invoices. APP-ATLAS maintenance and service-credit obligations remain exactly as stated in C02. This agreement contains no commitment to change C01.

6 DISPUTES AND JOINT CLAIMS

6.1 Indian law governs. Mumbai courts have exclusive jurisdiction over claims solely under C08. Any combined proceeding involving C02 also requires a separately signed forum agreement under clause 7.1 of C02 and this clause. The parties have not supplied that agreement. Do not assume one forum automatically controls all claims.

7 TERMINATION AND SURVIVAL

7.1 Written breach notice to the other party legal email gives 10 calendar days after receipt to cure, through 17:00 UTC on the tenth following date. Thereafter an uncured breach permits a separate termination notice. Accrued payment obligations survive termination.

8 NOTICES

8.1 Aurora legal email is aurora-legal@aurora.example and Cedar legal email is legal@cedar.example. A notice takes effect on proven receipt. A C08 notice does not by itself terminate C02.

9 TIME AND ACCOUNTING

9.1 All times UTC and days calendar days, without holiday adjustments. Date-only deadlines end at 17:00 UTC. All amounts exclude taxes. Independent scope does not imply the absence of all business risk; assess each agreement on its evidence.

10 EXECUTION

10.1 Mira Sen for Aurora and Isha Shah for Cedar record execution on 2027-01-20.

11 LIMITATION OF LIABILITY

11.1 For service unavailability or delivery delay, the exclusive remedies and caps expressly stated in this agreement apply. For other claims, each party aggregate liability is capped at INR 1,000,000, except fraud, wilful misconduct and indemnity obligations. No cap from another contract is incorporated.

12 INDEMNITY

12.1 Each party shall indemnify the other against third-party claims caused by its infringement of intellectual property rights or unauthorized disclosure of confidential information, including reasonable defense costs. The indemnified party shall promptly notify the other party and reasonably cooperate in the defense.

13 CONFIDENTIALITY

13.1 Each party shall protect the other party non-public commercial, technical and personal information, use it only to perform this agreement, and restrict access to personnel bound by confidentiality. These obligations survive termination for 3 years, except information already public without breach.

14 COMPLIANCE

14.1 Each party shall comply with laws applicable to its own performance, including the Digital Personal Data Protection Act, 2023 where applicable and GDPR for processing within its applicable scope. Where personal data is processed, access controls and documented incident-response procedures shall be maintained. No ISO certification is represented by this clause.

15 ASSIGNMENT

15.1 Neither party may assign this agreement without the other party prior written consent, except an assignment to an affiliate on 30 calendar days written notice if the assigning party remains liable. A change of control does not silently replace a contracting party or waive a consent requirement.

16 FORCE MAJEURE

16.1 A party prevented from performing by an event beyond its reasonable control shall notify the other party within 5 calendar days after discovery and provide evidence of the affected obligation and mitigation. Accrued payment obligations are not excused. Relief requires a causal connection and does not apply automatically to every outage or supplier delay.

17 EXCLUSIVITY

17.1 This agreement is non-exclusive. No non-compete or restriction on dealing with other counterparties is imposed except as expressly stated in this clause.

18 TERMINATION FOR CONVENIENCE

18.1 Either party may terminate for convenience by written notice received at the other party legal notice address at least 30 calendar days before the proposed termination date. Accrued payment obligations and express survival provisions remain effective. Any expressly agreed early-exit fee remains subject to its stated conditions.

19 CONVENIENCE NOTICE PERIOD

19.1 For termination for convenience under clause 18.1, either party must give 60 calendar days prior written notice. Clause 18.1 states 30 calendar days for the same notice. Both provisions form part of this agreement and no order of precedence between them is stated.

20 ADDITIONAL CONTROLLER PROCUREMENT

20.1 Aurora commits to purchase 100 AX-7 controllers from Cedar for delivery on 2027-02-20 at 17:00 UTC for INR 600,000, payable on 2027-02-28 at 17:00 UTC against invoice CEDAR-AX7-2027. This is a separate procurement from order SO-AX7 and does not amend or waive any restriction in C03. No Forge waiver or Cedar release is attached.
