SCHEDULE A - SUBSCRIPTION ORDER LINES

Reference	Item	Agreed particulars
Row 1	Application	RESIDENT-ONE on PROD-AUR
Row 2	Monthly subscription	INR 120,000
Row 3	Per-incident credit	5% of monthly fee; threshold over 30 minutes
Row 4	Office undertaking	UNIT-A through 2027-12-31

1 ORDERED PRODUCT

1.1 Aurora hosts resident access, maintenance requests and billing views for Willow. The production application is RESIDENT-ONE on PROD-AUR. Willow remains responsible for resident notices and lawful collection of data.

2 SUBSCRIPTION WINDOW

2.1 Service starts on 2027-01-10 and continues through 2027-12-31. Automatic renewal is for twelve months unless either party gives written notice at least 30 calendar days before expiry, by 17:00 IST on 2027-12-01 in the first term.

3 PRICE AND COLLECTION

3.1 Willow owes Aurora INR 120,000 per calendar month, including January, payable in arrears by 17:00 IST on the seventh day of the following month. The invoice is issued on month end. Undisputed overdue principal bears simple interest of 1% per month, prorated using a 30-day month from the day after the due date; the cap is INR 6,000 per invoice. Payment applies to principal first.

4 CUSTOMER SERVICE REMEDY

4.1 A continuous customer-visible outage exceeding 30 minutes earns Willow a credit of 5% of the monthly subscription fee per incident. Aggregate credits are capped at 15% of the monthly fee. Planned infrastructure maintenance is not excluded from this promise. Willow must claim within ten calendar days after the incident ends. Aurora issues approved credits on the next invoice and must not count a repeated incident report twice.

5 SERVICE LOCATION UNDERTAKING

5.1 Aurora shall keep a staffed support desk operating from UNIT-A at Willow's premises throughout the subscription term. Relocation requires Willow's written consent. The office lease AUR-2027-005 is a separate agreement and does not extend automatically with this order.

6 RESIDENT INFORMATION

6.1 Willow is controller and Aurora is processor of resident personal data. Aurora follows documented instructions, restricts access and notifies Willow within 12 hours of a confirmed breach. The parties comply with applicable DPDP requirements; GDPR applies only to processing within its actual scope. Data is not licensed for unrelated model training.

7 REMEDY AND RESPONSIBILITY

7.1 Aurora indemnifies Willow against third-party IP infringement claims arising from the portal, subject to control of defence and cooperation. Willow indemnifies Aurora for unlawful resident content provided by Willow under the same procedure. Ordinary aggregate liability is INR 1,440,000 per term; fraud and deliberate misconduct are uncapped. Service credits offset damages for the same loss.

8 CANCELLATION ROUTE

8.1 Either party may end for convenience on 45 calendar days written notice or for material breach not cured within 15 calendar days of a detailed notice. Prepaid fees for undelivered service are refunded pro rata; no punitive exit fee is agreed. Aurora provides an export within ten calendar days after exit.

9 PRIVATE INFORMATION

9.1 Non-public commercial and resident information remains confidential during the term and for three years after exit. Necessary staff and advisers must be bound by equivalent duties. Statutory retention is permitted with access restricted.

10 CHANGE AND EXCUSED DELAY

10.1 Assignment requires written consent and does not release existing obligations without a novation. Force majeure excuses only affected performance while notified and mitigated; the claiming party must notify within three days of discovery. There is no exclusivity or employee non-compete.

11 LEGAL CHANNEL

11.1 Indian law governs and Bengaluru courts have exclusive jurisdiction after ten calendar days of senior-level negotiation. Notices are sent to aurora-legal@aurora.example and legal@willow.example. This order does not vary the hosting vendor's separate credit thresholds.
