COPPERLINE COMPONENTS

SUPPLIER EXCLUSIVITY LETTER

CONTRACT TITLE: Exclusive AX9 Sourcing Undertaking
CONTRACT ID: AUR-2027-004
CONTRACT TYPE: supply
EFFECTIVE DATE: 2027-01-12
PARTY A: Aurora Software Private Limited (the "Company")
PARTY B: Copperline Components Private Limited (the "Counterparty")
GOVERNING LAW: India; forum as stated in the body

COMMERCIAL UNDERTAKING

Aurora appoints Copperline as its exclusive source for the AX9 device family. Copperline reserves supply capacity on the terms below. This appointment is narrower than a general restriction on Aurora's software business.

1 DEFINED EXCLUSIVITY

1.1 From 2027-02-01 through 2027-08-31 Aurora shall source all AX9 controllers for Indian projects only from Copperline. Existing purchase orders are not excepted. Purchasing an AX9 lot from another supplier within that window breaches this undertaking unless Copperline has given written consent before the purchase is placed or accepted.

2 CALL-OFF AND TERM

2.1 The agreement begins on 2027-01-12 and ends on 2027-08-31 without automatic renewal. A signed call-off fixes quantity and dispatch date. There is no minimum purchase or take-or-pay amount. A forecast or informal capacity email is not a call-off.

3 PRICING MECHANISM

3.1 Each accepted call-off uses INR 7,500 per AX9 unit, payable within 15 calendar days after signed acceptance and a valid invoice. Prices are fixed for the term; a price-change email alone does not vary them. No late-payment interest or penalty is agreed.

4 EXCLUSIVITY REMEDY

4.1 For a proved purchase of an AX9 lot from another supplier during the exclusive window without prior consent, Aurora owes Copperline INR 50,000 per distinct purchase order, capped at INR 150,000 during the term. A risk of future conflict alone does not create this charge; purchase evidence and timing are required. Duplicate reports of a single order count once.

5 SUPPLY QUALITY

5.1 Copperline warrants conformance to AX9 R3 in each accepted call-off and replaces verified nonconforming units within 15 calendar days after notice. Rejected goods are not deemed accepted by silence. Freight on a valid replacement is for Copperline's account; there is no separately quantified service credit.

6 DUTIES AND LIMITS

6.1 Aurora indemnifies Copperline against third-party claims relating to Aurora's product integration, including claims not caused by Aurora's fault. Copperline gives no reciprocal indemnity. This allocation does not authorise recovery without a third-party claim. Ordinary aggregate liability of either party is INR 1,500,000; deliberate misconduct and fraud are uncapped.

7 WITHDRAWAL

7.1 Either party may terminate for convenience on 30 calendar days written notice or for material breach uncured within ten calendar days after detailed notice. Exclusivity ends prospectively on effective termination, but proved pre-termination breaches and accrued remedies survive.

8 COMMERCIAL SECRETS

8.1 Price lists, drawings and forecasts remain confidential for three years after expiry. Disclosure to advisers with equivalent obligations or under mandatory law is permitted. Contact data is used only for administration in accordance with applicable data law.

9 TRANSFER AND FORCE MAJEURE

9.1 Assignment requires prior written consent. A supplier claiming force majeure shall notify within three calendar days, substantiate impact and mitigate; only affected supply performance is excused. Exclusivity is suspended only by a signed written release, not by a bare force-majeure allegation.

10 SETTLEMENT CHANNEL

10.1 Indian law governs. Following 15 calendar days of senior-level negotiation, unresolved disputes belong exclusively to courts in Mumbai. Notices go to aurora-legal@aurora.example and legal@copperline.example. Different dispute forums across Aurora agreements do not themselves invalidate any contract.
