CARRIER BOOKING NOTE

CONTRACT TITLE: AX9 Freight Booking and Handling Terms
CONTRACT ID: AUR-2027-006
CONTRACT TYPE: vendor
EFFECTIVE DATE: 2027-01-15
PARTY A: Aurora Software Private Limited (the "Company")
PARTY B: SwiftRoute Logistics Private Limited (the "Counterparty")
GOVERNING LAW: India; forum as stated in the body

BOOKING ACCEPTED

SwiftRoute accepts Aurora's booking FR-AX9-100 to collect the Forge lot. This carriage contract governs the carrier's window, evidence and compensation; it does not change the seller's delivery promise.

SCHEDULE A - FREIGHT BOOKING CARD

Reference	Item	Agreed particulars
Row 1	Consignment	FR-AX9-100 / 100 AX9 controllers
Row 2	Forge pickup	2027-05-21 at 09:00 IST
Row 3	UNIT-A delivery	2027-05-23 at 17:00 IST
Row 4	Freight price	INR 30,000

1 COLLECTION AND DELIVERY WINDOW

1.1 SwiftRoute collects the 100 AX9 controllers from Forge on 2027-05-21 at 09:00 IST and delivers them to UNIT-A by 17:00 IST on 2027-05-23. The pickup window is a firm booking, subject only to signed change or a substantiated excused delay.

2 FREIGHT BILL

2.1 The freight price is INR 30,000, payable by Aurora within seven calendar days after signed delivery and receipt of a valid invoice, both required. No interest or late-payment charge is agreed. Waiting charges require a separately signed rate approval.

3 DELIVERY FAILURE RATE

3.1 Delivery after the booked deadline gives Aurora agreed delay compensation of INR 2,000 for every calendar date from 2027-05-24 through actual complete delivery inclusive, capped at INR 10,000 for this consignment. This is the carriage remedy, not an amendment of Forge's separate seller remedy. Recovery for identical actual loss cannot be duplicated.

4 CUSTODY AND EVIDENCE

4.1 SwiftRoute records collection and delivery scans with consignment identity FR-AX9-100. A scan proves carriage receipt only, not technical acceptance of the devices. SwiftRoute is responsible for direct physical damage while in its custody up to the declared consignment value of INR 800,000, subject to evidence and any law that cannot be excluded.

5 BOOKING PERIOD

5.1 These terms commence on 2027-01-15 and end on 2027-06-15, with no automatic renewal. Accrued freight and claims survive. The office destination and availability must be checked by Aurora before dispatch.

6 CANCELLATION AND BREACH

6.1 Aurora may cancel for convenience at least seven calendar days before pickup without fee. Later cancellation reimburses evidenced non-recoverable third-party costs up to INR 5,000. Either party may terminate a material breach uncured for five calendar days after notice.

7 SAFE TRANSPORT AND DEFENCE

7.1 SwiftRoute follows applicable transport, employment and vehicle safety law and indemnifies Aurora for third-party claims caused by its negligent carriage, subject to prompt notice and defence control. Ordinary aggregate liability is INR 800,000; fraud and deliberate misconduct are uncapped.

8 SHIPMENT INFORMATION

8.1 Addresses, device manifests and non-public prices are confidential for three years after expiry. Personal data is used only to arrange transport and retained only as legally necessary. Shipment tracking does not authorise resale of customer data.

9 SUBCONTRACT AND INTERRUPTION

9.1 SwiftRoute may use licensed carriers but remains responsible for their performance; assignment of the agreement requires consent. Force majeure must be reported within 24 hours with evidence of route impact and mitigation. A qualifying delay extends the affected window by the proven duration; a bare allegation is insufficient. No exclusive-carrier restriction applies.

10 CLAIMS ROUTE

10.1 Indian law applies. Written carriage claims are submitted within 15 calendar days of delivery with scans and evidence. Unresolved claims after ten calendar days negotiation go to Bengaluru courts. Notices are sent to aurora-legal@aurora.example and legal@swiftroute.example.
