WILLOW HOUSING

OFFICE LEASE

CONTRACT TITLE: Office Lease
CONTRACT ID: C05
CONTRACT TYPE: lease
EFFECTIVE DATE: 2027-01-03
PARTY A: Aurora Software Private Limited (the "Company")
PARTY B: Willow Housing Private Limited (the "Counterparty")
GOVERNING LAW: India

RECITALS

Willow controls the premises described below and agrees to let them to Aurora. Aurora accepts the letting for office use. The parties distinguish expiry, non-renewal and early release in the operative covenants.

1 DEMISE OF THE PREMISES

1.1 Aurora Software Private Limited (P01, Tenant) leases office UNIT-5 at 5 Example Quay from Willow Housing Private Limited (P03, Landlord). Company legal notice address: aurora-legal@aurora.example. Counterparty legal notice address: notices@willow.example.

2 TERM AND RENEWAL

2.1 Signed on 2026-12-19. The initial term is 2027-01-03 through 2027-06-30 inclusive. It renews automatically for 6 months on the same rent unless Tenant gives valid non-renewal notice at least 30 calendar days before the current term end date. The notice cutoff is at 17:00 UTC on the calculated cutoff date.

3 VALID NOTICE

3.1 Non-renewal notice must be received by notices@willow.example with subject UNIT-5 NON-RENEWAL and authorized Tenant sender Mira Sen. Dispatch alone, an incorrect address, or receipt after the cutoff is insufficient. No acknowledgment from Landlord is required if receipt is evidenced.

4 RENT

4.1 Rent is INR 100,000 per calendar month, due on the twentieth day of that month at 17:00 UTC, with invoice reference RENT-YYYY-MM. The first invoice is RENT-2027-01. No deposit or taxes are included under this agreement. The January rent is the stated full monthly amount notwithstanding the 2027-01-03 commencement.

5 PAYMENT ALLOCATION

5.1 Only cleared payments identifying the invoice and currency INR reduce its rent principal, from their occurred_at time. Apply principal before charges. A repeated bank transaction ID is not another payment; a reversal expressly identifying that transaction removes the payment from its reversal time. Unrelated invoices do not reduce this rent.

6 GRACE AND LATE CHARGE

6.1 Unpaid rent has a grace period through 23:59:59 UTC on the twenty-fifth day of the due month. Starting at 00:00 UTC on the twenty-sixth, a simple charge of 0.1 percent of unpaid rent principal at that instant accrues for each started UTC calendar date until full payment. There is no compounding and no charge on earlier charges. Total late charges per invoice are capped at INR 5,000. A payment later on a date does not reverse that date charge.

7 RENEWAL CONSEQUENCE

7.1 A missed or invalid non-renewal notice commits the next 6-month term at INR 100,000 monthly. Report INR 600,000 as a future committed rent obligation, not a present fine. Do not add it again to the same months of scheduled rent. The current term remains in effect when a timely notice prevents renewal.

8 TERMINATION FOR CONVENIENCE

8.1 No unilateral early termination for convenience is granted during a committed lease term. Non-renewal at term end requires compliance with clauses 2.1 and 3.1. Earlier release requires a signed agreement between Landlord and Tenant.

9 DEFAULT AND TERMINATION

9.1 Landlord must give Tenant written material-breach notice at aurora-legal@aurora.example and allow 10 calendar days after receipt, through 17:00 UTC on the tenth following date, to cure. An uncured breach permits a separate termination notice; mere late rent does not automatically terminate this lease.

10 TIME AND FORUM

10.1 All times are UTC and all days calendar days. No business-day or holiday adjustment applies. Indian law and exclusive Bengaluru court jurisdiction govern. No unspecified damages or fees are inferred.

11 LIMITATION OF LIABILITY

11.1 Late charges are capped at INR 5,000 per rent invoice under clause 6.1. Accrued rent and committed renewal rent are payment obligations, not damages. Other aggregate damages are capped at INR 1,000,000, excluding fraud and indemnity obligations.

12 LANDLORD AND TENANT INDEMNITIES

12.1 Landlord and Tenant each indemnify the other for third-party claims caused by their own intellectual-property infringement or unauthorized disclosure, including reasonable defense costs. A claim must be notified promptly and the defense assisted reasonably.

13 PRIVATE OCCUPANCY INFORMATION

13.1 Office plans, entry credentials and non-public lease information shall be kept private and used only in administering the letting. Staff access must be limited and subject to confidentiality duties. Information public without breach is excluded. This covenant survives the letting for 3 years.

14 LAWFUL USE OF PREMISES

14.1 Each party must comply with laws applicable to its role in occupation and maintenance of the premises. This includes the Digital Personal Data Protection Act, 2023 where applicable and GDPR where its processing scope applies. Personal-data processing requires access controls and a documented incident-response procedure. No ISO certification is promised.

15 DEALINGS WITH THE LEASE

15.1 Assignment of this lease requires written consent from the other party. An affiliate assignment is allowed only with 30 calendar days written notice and continuing liability of the original tenant or landlord. A change of control is not a consent waiver.

16 EXCEPTIONAL EVENTS AT THE PREMISES

16.1 Relief for an event beyond reasonable control is confined to the affected obligations in occupation and maintenance of the premises. The affected party must give written notice within 5 calendar days after discovery, explain causation and provide mitigation evidence. Accrued payments remain payable. Neither an outage nor supplier delay qualifies automatically.

17 OTHER LETTINGS

17.1 The parties remain free to enter other arrangements outside the scope of occupation and maintenance of the premises. This agreement grants no exclusivity or non-compete except any restriction expressly stated in this clause.

18 EXECUTION AS A DEED

18.1 Mira Sen for Aurora and Kavya Paul for Willow record execution on 2026-12-19.
